

Community fundraisers play an important role in helping pets in need. Each fundraiser builds awareness in the community and raises critically-needed funds that save and care for thousands of homeless pets each year.

The Humane Law Enforcement Department at Lollypop Farm plays a critical role in addressing cruelty to animals in our community. Our organization maintains an SPCA designation and is charged with investigating and enforcing the animal cruelty laws of New York State. The law enforcement department receives no government or agency funding.

With your help, Lollypop Farm is able to rescue and re-home pets of all kinds, educate and reach out to pet owners in our community, and to prevent cruelty.

Many people don't realize we have a humane law enforcement department of 5 officers covering 4 counties responding to more than 3000 calls each year. They work tirelessly to prevent cruelty, rescue animals from harm, and to seek justice.

Monday, August 19, 2019

Monroe County Sheriff's PBA
Annual Golf Tournament

Follow us on

facebook.

The Monroe County Sheriff PBA was incorporated in 1998 as the bargaining unit for the Monroe County Sheriff's Road Patrol. The primary goal is to improve the working conditions, wages, and benefits of the approximately 240 road patrol deputies.

The Monroe County Sheriff PBA also promotes charitable participation among its members to give back to the community that its members serve. One of the many charity events is the MCSPBA Golf tournament. This event has been around since 1999 and sponsors a different charity annually. This event allows the members of the Sheriff's office to be able to interact with different charity organizations in the Monroe County area and promote a positive cooperation with the community.

Monroe County Sheriff PBA is excited to announce that this years charity is Lollypop Farm, the Humane Society of Greater Rochester. This years goal is to raise \$7,500 to help homeless and abused pets receive medical care, shelter, behavioral training, and an abundance of love at Lollypop Farm. Animal lovers like you are vital to making the work of Lollypop Farm possible.
