Together with our community, we better the lives of animals through justice, prevention, and life-saving care. With a main campus located in Fairport and three other adoption centers throughout the community, the organization provides shelter, care, and adoption for dogs, cats, small animals, birds, reptiles, horses, and other farm animals.

In 2021, 4,473 pets received a second chance.

In 2021, 1,691 pets received foster care.

3,378 calls were serviced by our humane law enforcement.

14,660 pounds of food were provided to families in need.

196 farmyard friends received a second chance.

We can't wait to partner with you to help you grow your business in a meaningful way while saving homeless and abused pets.
