Strategic Partnerships

**The Largest Pet-Friendly Walk and Festival
to Benefit Rochester's Homeless and Abused Pets**

Working together for partnerships that make a difference in our community.

Your Partnership Makes a Difference

Established in 1873, Lollypop Farm is the largest animal welfare organization helping pets and people in the Greater Rochester area. Together with our community, we better the lives of animals through justice, prevention, and life-saving care. With a main campus located in Fairport and three other adoption centers throughout the community, the organization provides shelter, care, and adoption for dogs, cats, small animals, birds, reptiles, horses, and other farm animals.

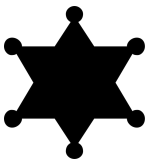

In 2022, 4,128 pets received a second chance through adoption.

9,109 surgeries were performed by our veterinary team.

1,848 pets lived in foster care in 2022.

In 2022, our Humane Law Enforcement officers responded to 3,022 calls.

13,453 pounds of food were provided to families in need.

89 farmyard friends were taken into Lollypop Farm care.

Reaching Your Audience

According to the 2021-2022 APPA National Pet Owners Survey, 70% of U.S. households own a pet. The Greater Rochester area is no exception to this animal-loving trend. Stand up and show your audience you care about animals as much as they do. When you partner for the Walk for the Animals at Barktober Fest, you'll gain exposure to our audience, including:

- Website traffic averaging 477,575 monthly page views
- Over 57,000 email subscribers
- Over 82,000 Facebook followers, 28,000 Instagram followers, and 2,800 TikTok followers
- An average of 1,500 day-of-event attendees
